

Name: Rayudu Laharika

Domain: Full Stack Development

Date of Submission: 09-05-2026

Week Ending: 02

I. Overview:

This week, the primary focus was on learning Java Fundamentals and improving frontend development skills. Work was also done on a Social Media Mini Application using HTML, CSS, and JavaScript. Additional efforts were made to improve UI design, JavaScript functionality, and localStorage implementation.

II. Achievements:

1. Java Fundamentals Learning:

- Completed Java Fundamentals Part 1 and Part 2.
- Practiced Java basic concepts and logic building.

2. Social Media Mini Application:

Name of the project:- Social Media Mini App

- Implemented login functionality.
- Added comment posting feature.
- Added delete comment functionality.
- Implemented like system using JavaScript.
- Used localStorage for storing comments and likes.

3. Frontend Development:

- Improved UI design using CSS.
- Practiced JavaScript DOM manipulation.
- Enhanced responsive layout design.

III. Challenges:

1. JavaScript Functionality:

- Faced issues while storing and retrieving data from localStorage.
- Required multiple tests for debugging JavaScript functions.

2. UI Design:

- Encountered alignment and responsive design issues.
- Worked on improving spacing and layout structure.

IV. Learning Resources:

1. Internship Learning Portal:

- Utilized Upskill Campus learning materials and Java Fundamentals modules.
- Completed weekly learning activities and quizzes.

2. Frontend Learning:

- Practiced HTML, CSS, and JavaScript through project development.
- Used online tutorials and documentation for improving frontend concepts.

V. Next Week's Goals:

1. Frontend Enhancement:

- Improve project UI and responsiveness.
- Add more interactive JavaScript features.

2. Skill Development:

- Continue learning advanced frontend concepts.
- Practice more JavaScript and project building.

VI. Additional Comments:

This week helped improve my frontend development skills and problem-solving ability. Working on the Social Media Mini Application increased my confidence in JavaScript and UI design.
